

Tennis Clinics Summer 2011

Ages 8-14

NEW! Summer Jr. Swim & Tennis Clinic

Two 1-week sessions: 6/20-6/24 and 7/25-7/29

M-F 11am-3pm

Los Baños Pool, 401 Shoreline Dr. and Pershing Park,
100 E. Castillo Street

Information: 564-5573

This program is designed to provide a positive learning experience where your child learns to swim and play tennis—sports they can enjoy for life! The day starts with dropping your child off promptly at 11am at Los Baños pool where they receive instruction on stroke techniques and pool safety, both essential skills for living in a coastal community. At the completion of the pool component, they enjoy lunch and group games in a supervised environment at Pershing Park prior to an afternoon of tennis.

Tennis at the Pershing Park courts focuses on the fundamentals of the game while improving eye hand coordination, footwork, and match play. The day ends with instruction on court etiquette and sportsmanship. Your child will be available for pick-up at the conclusion of this clinic (3pm) at the Pershing Park Tennis Courts. We advise parents to be prompt, as no additional supervision is provided before or after the clinic. A \$5 fee will be charged for every 15 minutes (or portion of) that parents are late for pick up. Also, if a child must miss a day for any reason, please notify us in advance.

Summer Jr. Tennis Clinic

One 1-week session: 7/11-7/15

M-F 9am-12noon

Municipal Tennis Facility

1414 Park Place

Information: 564-5573

This program is designed to provide a positive learning experience where your child learns to play tennis, a sport they can enjoy for life! The day starts with dropping your child off promptly at 9am at the Municipal Tennis Facility, located on the corner of Park Place and Old Coast Road. After check in and a warm up, instruction will focus on the fundamentals of the game while improving eye hand coordination, footwork, and match play. There are water breaks throughout the morning. The day ends with instruction on court etiquette and sportsmanship. Your child will be available for pick-up at the conclusion of this clinic (3pm) at the Municipal Tennis Facility. Parents should be prompt, as no additional supervision is provided before or after the clinic. A \$5 fee will be charged for every 15 minutes (or portion of) that parents are late for pick up. Also, if a child must miss a day for any reason, please notify us in advance.
